I-1 BUDGET MESSAGE

we are tryig to save money to build an office, which means we will have to have a part time employee also
We are a small District with about 30 taps, and do OK as we are, but having to build an office is going to put a hardship on us. But we are trying to save as much as we can, and still give quality customer service and maintain our tower and water lines without putting a burden on our customers.
It might take a few years to get this project done!
