I-1 BUDGET MESSAGE

The mission of LCFD #10 is to provide protection against fire for homeowners and landowners in the district; to provide equipment and training that assures the best possible safety protection for our volunteer firefighters; emergency responses to health; and to inform the public about fire prevention practices. In addition, we respond to emergencies occurring along the I80 corridor which runs through our district. We provide these services for the common good of the community being sensitive to obtaining the best possible outcomes within our budgetary constraints. The budget is funded this year at a level consistent with the past two years. The one difference is moving funds to the capital construction account for building the new structure at I80 and Harriman Road.
