I-1 BUDGET MESSAGE

Laramie County Fire District #4 continues the process of saving money from 6th penny and other revenues in order to construct a new station. We anticipate this project being completed in the budget cycle represented by this document. We continue to upgrade our personal protective equipment. We anticipate having to spend significant monies in the future to upgrade existing radio systems. With the addition of a second station comes increased utilities costs, and adjustments have been made to reflect that. A grant has been secured for the purchase of a combination rescue/wild land apparatus to place in the new station, and its construction and purchase is reflected in this budget document as well
