S-A BUDGET MESSAGE W.S. 16-4-104(d)

After cleaning our water tank in April, the cleaning company suggested our tank needed painting and would cost anywhere from \$40,000 to \$80,000. So last month we sent videos to some tank painting companies for prices. After looking at the videos both companies suggested that we patch paint in a couple of areas of the tank, and they felt we could go about 6 to 10 years after that before our whole tank would have to be completely painted. At our final Budget meeting the Board voted to do this now, and save money. This cost is estimated to be about \$10,000, and we have added it to our final budget.
