S-A BUDGET MESSAGE W.S. 16-4-104(d)

The Airport Board has developed the enclosed budget for fiscal year 2018 on the basis of conservative projections of upcoming revenues and expenses, in concert with known projected changes costs and the cash flows of upcoming capital projects. The budget development process engages all members of supervisory and management staff in an effort to produce the budget in compliance with State Statutes and to further serve as an operational diagnostic and planning tool. The construction of the new terminal building is the largest capital project for fiscal year 2018, and will be partially offset by federal and state grant monies in the same fiscal year, as well as amounts received for that same purpose from prior fiscal years. Legend Aeroserve (Cheyenne Airport Fixed Base Operator, or "FBO") operations continue to expand, and related income and expenses are budgeted in relationship to this growth.

S-B RESERVE DESCRIPTION

Reserves include a calculated amount for fiscal year 2018 accumulated depreciation for assets considered to require replacement within the upcoming five years. Additionally, an amount is held in cash by the Board for the contingency of an airport emergency requiring immediate and unplanned expenditure.
